

THE SPRINGSTONE

MIDDLE & COMMUNITY HIGH SCHOOL

Dear Community Member,

I am a supporter of The Springstone School, a non-profit, independent school that is dedicated to providing academic, social, and pre-vocational skills for 6th-12th graders with neurocognitive and Executive Functioning challenges, including Autism. These children have difficulties with organization, learning, coordination, and social skills.

Established in September 2003, Springstone is the first school in the nation to provide services specifically designed for middle school students featuring small, structured classrooms and an integrated teaching approach. With the success students found at Springstone, and the push from school districts and parents, the program has grown into both a middle and community high school. Our students typically do not thrive in the public school system, where they are often isolated, bullied, and misunderstood by both teachers and peers. Springstone's mission is to foster independence, self-advocacy and a sense of community while incorporating Common Core academics in preparation for post high school transitions.

The Springstone School hosts two fundraising events throughout the year to support funding our program. We are preparing to hold our fifth annual Senior Star Service Dinner & Fundraising Gala. The silent auction will go open on March 11th and will close on March 27th and our live auction will take place during the evening of our Fundraising Gala on March 27th, 2026. If you are interested in attending our Gala, please reach out.

Please consider helping our students by making a tax-deductible contribution of goods or services for our Silent Auction (gift baskets, gift certificates, tickets, professional services, etc.) or a financial donation to our unique programs. Your contribution will make a significant difference in the lives of children and toward the betterment of the community. If you have any questions, please do not hesitate to call me at the phone number listed below or contact the school office. Your generosity is greatly appreciated.

We are happy to accept donations through March 2nd, 2026. Thank you for your support of our deserving special education students!

With gratitude,

Springstone Supporter
